Partners in Education Scholarship

- **Companies of Special Interest.** Evidentia University may award a limited number of scholarships to companies that due to their size, sector or other characteristics may have a special impact on society. A maximum of 2 full scholarships will be awarded per company each semester. Evidentia University may also award these companies with additional scholarships covering 50% of the total cost of the programs.
- **Non-profit Associations and Public Entities.** Evidentia University may award scholarships to national or international non-profit associations and public institutions whose mission or vision is to generate an impact on society. The number of full scholarships will be determined each year by the university board of directors and may be complemented with scholarships of 50% of the cost of the program.

Grant and Scholarship Application Process

Grant and scholarship applications can be found in the Finance office and through the university website. Applications are accepted on a rolling basis. Review of all applications is on a first come-first serve basis. Students will be informed through email on the outcome of the application. If the

student is eligible to receive the monies, she or he agree to sign the grant approval letter within 5 business days. Failure to return your approval automatically transfers the offer to the next applicant on the waiting list.

Community Funding Sources

There may be other local sources of financial assistance for students, including community agencies, foundations, corporations, unions, religious organizations, business and professional clubs, and civic groups. It is recommended that students contact the University's Finance department for more information.
